

The Create International Values

"Create International, as an integral part of YWAM internationally, fully affirms our larger missions "Foundational Values" as well as the "YWAM Frontier Mission Values". We have also developed and added a list of "Create International Foundational Values" which specifically address and guide our contributions to the wider movement."

Value #1

Every person has a right to receive a clearly understood presentation of the Gospel of Jesus Christ. 2 Peter 3:9, Matthew 24:14

Value #2

The gospel message should be shared amongst all unreached people groups. All of our ministry efforts should focus on this pursuit. Romans 15:20-21, 2 Corinthians 8:11

Value #3

Appropriate and innovative art and media resources should be produced to share the gospel and to mobilize the church to complete the Great Commission. Matthew 13:19,23, Revelation 7:9

Value #4

Culturally appropriate forms of art and media should be used to effectively communicate and build bridges for the Gospel through careful contextualization. 1 Corinthians 9:19-22, Acts 17:22-27

Value #5

Contextual communication resources should be gathered and distributed to serve the Body of Christ and to mobilize the church toward greater engagement with unreached peoples. Matthew 28:19-20, Ephesians 4:11-12

Value #6

Workers should be trained and raised up to use media for missions to unreached peoples. 2 Timothy 2:2

Value #7

We value unity and partnership within the ministry of Create International. It is our desire to function as an international body of teams that would support each other in every way. Psalm 133:1-3, Matthew 23:11
